

Computer Science and Computer Engineering Club

Read the title! We're SBVC's only computer enthusiasts. If you're interested in computers, then feel free to approach us, we won't bite. If you've got a computer related project, then come on in and we might be able to help you with it.

Meetings are held
on tuesdays at 3:00
pm in the Business
building's room
B210.

Current projects include:

- Preparation for cyber security related competitions.
- Writing a program that will play a game against a human and win.
